Opportunity in Marshall County, IA

Opportunity Index 2015. The Opportunity Index is an annual composite measure at the state and county levels of economic, educational and civic factors that expand or constrict opportunity. The Index focuses on the conditions present in communities and is designed to identify concrete solutions to lagging conditions for opportunity and economic mobility. The Index measures 16 indicators and scores all 50 states plus Washington, DC on a scale of 0-100 each year. More than 2,600 counties are graded A-F, giving policymakers and leaders a useful tool to identify areas for improvement and to gauge progress over time.
